Medicines at School

Just a reminder - where parents are unable to administer medicines, specified staff will do so, but parents must complete a form from the office to provide full instructions for administration. Medicine **cannot** be sent directly into school via the children in their school bag.

Uniform Sale – Brand New & Not Pre-Loved

We are having another uniform sale here at GJS on Wednesday straight after school. The uniform shop includes items such as:

Jumpers,
Cardigans
Reversible waterproof/fleece jackets
PE coloured t-shirts
PE coloured hats

Items priced
from **£1.50 - £5**

Non-Uniform Days

As is tradition here at GJS, the last day of each half term is an optional non-uniform day. It's a small way of celebrating the end of a busy half term for our pupils, but also a simple way of raising much-needed money for the school. The cost for this non-uniform day is £1 (£6 for the whole year). For any children wishing to participate in the optional non-uniform days throughout the year, the £6 payment is to be made your Arbor account before the end of this half term.

Online Safety

Snapchat is a photo- and video-sharing app through which users can chat with friends via text or audio. Images and videos can be shared with specific friends, or as a 'story' (documenting the previous 24 hours) which is visible to a person's entire friend list. Snapchat usage rose significantly during the lockdown periods, with many young people utilising it to stay connected with their peers. The app continues to develop features to engage an even larger audience and emulate current trends, rivalling platforms such as TikTok and Instagram.

In the guide, you'll find tips on avoiding potential risks such as sexting, visible location and contact from strangers.

The Local Authority 'Delivering Better Value in SEND' Programme - Survey

As one of 55 councils taking part in the Department for Education's 'Delivering Better Value in SEND programme' The LA are now inviting schools, parents and carers to take part in the next stage, known as the diagnostic phase.

The aim of this programme is to improve ways of working to provide better outcomes for children and young people in Wirral with special education needs and disabilities and to improve financial performance.

The LA want to put children and young people at the heart of this plan. Parents and carers are encouraged to share their experiences and make sure they're focusing on the right areas by completing this short survey, <https://forms.office.com/e/msa9aHHavW> This survey will close on **20th October 2023**.

Allergen Coding: ALLERGENS ARE IDENTIFIED UNDERNEATH EACH DISH

Week Commencing – 4th September, 25th September, 16th October.

Remember to drink plenty of Water with your lunch.

We have been made aware of a serious accident on the M53 this morning, which involved a bus transporting student to Calday Grange Grammar School and West Kirby Grammar School. Greasby Junior School, as well as many other schools in the local area, send Year 6 pupils to both of these schools, and our heartfelt thoughts are with the communities, students and families affected by the tragedy.

Thank you for your continued support.

Yours sincerely,

EBall
