Christmas Orders

Just to remind you that the order deadline for Christmas cards is at midnight of Wednesday 22nd November for a free delivery.

Please click on the link to process your order and choose the items you wish to purchase. Any orders placed after this date will incur a delivery charge of £3 for a home delivery.

SENDLO Event for Parents, Carers and Children

On Thursday, November 23, 2023, the New Brighton's Floral Pavilion will come alive with the launch of SENDLO Live—an occasion that is set to offer a captivating blend of workshops, live performances, and a provider marketplace, all designed to cater to the children, young people, parents, carers, and professionals of Wirral's SEND community.

The event is anticipated to be a grand celebration that marks the official launch of SENDLO, Wirral's brand-new Local Offer website which is a ground-breaking platform aimed at transforming the landscape of SEND services, and creating an environment where every individual, regardless of their abilities, can thrive, connect, and celebrate life to the fullest.

Join the team between 1pm and 8pm on Thursday 23rd November 2023.

We look forward to seeing you there!

Special Guest

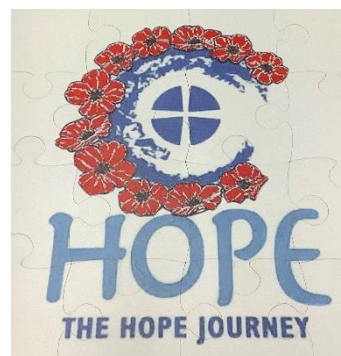

We loved having our very special guest in assembly today. Pudsey popped along to say a huge thank you to everyone who donated in some way to support this much needed charity.

Thank you for visiting Pudsey!

Year 6 – Hope Journey

Yesterday, Year 6 visited Greasby Methodist Church for our Remembrance activities. Thank you to the Hope Journey team for arranging all the activities for us to participate in. It was such a thoughtful session and the children had opportunities to reflect on such an important topic.

Anyone for a spot of tennis?

Earlier this week, Mr Gooden, Mrs Lewis & Mr Goodman took a group of children to Bidston Tennis Centre to participate in an inclusive tennis festival. The children had a wonderful time and had the opportunity to try wheelchair tennis as well as many other variations and challenges! They were excellent role models during their time at the festival and represented our school brilliantly – showing resilience, determination and support and encouragement for one another!

Odd Socks and Anti-Bullying

We started off our week with odd socks. Odd socks might sound a little silly but it serves as a reminder that being different is something to be proud of and was an excellent way to begin Anti-Bullying week.

Throughout the week the children have participated in assemblies and lessons highlighting what bullying is, the difference between bullying and banter and how we can all support one another. There has been a particular focus on our 3Cs – Care, Courtesy and Consideration. By following our school values and listening to advice, we can all feel safe and happy in life.

We rounded off the week by watching the anti-bullying video put together by representatives from all of our schools. Well done to everyone involved, and thank you to Great Meols Primary School for hosting the event. Click on the link to watch the video - [Oak Trees MAT Anti-Bullying Video](#)

Online Safety

Smart TVs have become more affordable in recent years, making them readily available to most consumers. These more advanced systems offer numerous features beyond those of a normal television set – chiefly, the ability to access the internet and interface with popular streaming services without the need for a set-top box or other intermediary device.

This increased functionality, however, also brings additional threats to privacy, security and more – as you'd perhaps expect from any device capable of going online. As TV is such a cornerstone of our home lives, these dangers can be uniquely difficult to manage. Our #WakeUpWednesday guide breaks down the major risks, with tips on helping children to enjoy TV ... stress free.

Christmas Fair Information – Dates for you diaries!

Greasby Juniors
