### Year 6: English and Maths

After the half term holiday, Year 6 children will be taught in varying groups to allow for more focused and targeted teaching in preparation for their KS2 SATs in May and to be secondary ready for September. These children will continue to be taught by the Year 6 teachers in these groupings.

### Does anyone have...?

Just in case anyone missed last week's newsletter, I'm putting another shoutout for help.

We are looking to develop two gardening areas on both the Lower and Upper Playgrounds. To do this, we need your help.

Does anyone have any old tyres they would happily donate to school? As part of this development, we would love you use recycled tyres to achieve something beautiful. If you do have any, or know where we can get the from, please contact the school office.

We are also looking for wood chippings as a base for one of the gardening areas. Again, if you have any, or know where we can get the from, please contact the school office. We hope to make a wonderful gardening area and bring extra colour to our playgrounds for our children to enjoy.

### Disco

Thank you to our PTA who supported our children and school brilliantly last night at our end of term disco. The children had so much fun and danced the night away!

## Uniform Reminder

### Winter Uniform:

- White shirt or blouse.
- School tie.
- Navy blue jumper, tank top, or cardigan.
- Grey trousers - long or short.
- Grey pinafore dress or skirt – mid thigh or longer.
- Grey, black or white socks or tights.

## Online Safety

Snapchat is a photo- and video-sharing app through which users can chat with friends via text or audio. Images and videos can be shared with specific friends, or as a 'story' (documenting the previous 24 hours) which is visible to a person's entire friend list. Snapchat usage rose significantly during the lockdown periods, with many young people utilising it to stay connected with their peers. The app continues to develop features to engage an even larger audience and emulate current trends, rivalling platforms such as TikTok and Instagram.

In the guide, you'll find tips on avoiding potential risks such as sexting, visible location and contact from strangers.

## Menu

Please see the [school website](#) for allergy menus.
