## Barnstondale Fun

This week, Year 4 have had a wonderful time away at Barnstondale on their 3-day residential. The children have thrown themselves into so many challenging activities and everyone has joined in brilliantly. Many of the children have tried new activities, such as rifle shooting or climbing, and many have faced some fears.

Everyone has thoroughly enjoyed themselves. Check out [X for many photos and videos of our days away.](#)

## Summer Curriculum

Please check out our website for the summer term curriculum letter for each year group. Click on the link to be directed to the page.

## Online Safety

Long gone are the days where eBay and Amazon were the only means of buying quality items online. The rise of user-friendly, accessible shopping apps has meant that getting clothes, gadgets and other goodies delivered direct to your door can be accomplished with a few touches of your phone's screen while you're on the go.

These apps aren't without their issues, however, and users still run the risk of scams, data breaches and other online safety concerns. Being aware of these dangers will go a long way to keeping your money and information safe, so you can still enjoy what these shopping apps have to offer. Our guide has some top tips to help protect young people on these purchasing platforms.
